

VITTORIA BRUT ROSE' SPARKLING WINE 2020

Our Vittoria Brut Rosé sparkling wine, is obtained with 100% Sangiovese grapes. Lively, elegant, fine, it immediately reminded us of Vittoria Contini Bonacossi, one of the past century most relevant women. Born in 1987, from a modest Lombard family, she was endowed with a keen intelligence and incredible inclination to aesthetic. Those skills were surprisingly noted by art critics, making her able to recognize, at the first sight, the beauty in paintings, sculptures, ceramics and decor. Along with her husband Alessandro, gathered many pieces of art creating one of Italy's most important art collection of the 20th century: The Contini Bonacossi Collection. She also cherishes and appreciates good wine, another reason why Alessandro decided to buy Capezzana a century ago.

The crest printed in the label was copied from her everyday dishes tableware.
